Our Food

Our Menu is designed from fresh local produce where possible & created by our chef's with a love.

You order your food at the bar and you can eat ever inside or out. We have created our dishes so that customers can enjoy a relaxed Tapas style sharing experience with each other.

You can order several dishes at once and as they become ready we will bring them to you or you can order one at a time, which ever takes your fancy.

No need to book a table to eat or if you want just come & enjoy one of our chilled cocktails or drinks
